TLA, Inc. offers a variety of long and short term consulting and expert research. Whether you need an hour of brainstorming with an expert in children's literacy or an extended project to accomplish a major goal, we stand ready to provide you with prompt, professional results.

Choose from:

- Independent evaluations of existing models or methods (including evaluations of volunteer or teacher-based tutoring initiatives)
- Action research in conjunction with educator (PreK-12) or university staff
- Consultation on planning a research study or action research study
- Consultation in design and implementation of reading initiatives
- Rigorous experimental blind study research to evaluate reading and writing products
- Lay-friendly support for nonprofit groups including PTA/PTO groups, social service agencies who serve families, United Way (including Success by Six initiatives), service clubs (such as Rotary or Kiwanis) as well as for profit businesses who wish to sponsor a reading initiative or educational publishers who wish to have independent research conducted on a product.
